

UNIVERSITY OF MAURITIUS

Centre for Innovative & Lifelong Learning

BSc (Hons) Education Technologies (Top Up)-LC303

1. Overview

This top-up programme targets Educators who are holders of a Certificate/Diploma in Education and provides them with an accelerated route to earning an innovative degree in Education and Technology, commonly referred now as 21st Century Education and Practices. Participants learn how to design effective curriculum using existing learning theories and contemporary instructional design models. They will collaboratively engage in planning and designing high-quality instructional materials within innovative pedagogical design frameworks.

2. Entry Requirements

1. General Entry Requirements as per the University of Mauritius Rules and Regulations.
2. And either
 - A Certificate in Education from a recognized Higher Education Institution and minimum of 7 years teaching experience in the education sector.
 - Or
 - A Diploma in Education from a recognized Higher Education Institution

Or alternative and/or equivalent qualifications acceptable to the University of Mauritius. Mature candidates will be considered on a case-to-case basis.

3. Minimum Requirements for Awards

Degree Award

A student will be awarded a BSc (Hons) in Education Technologies provided she/he satisfies the following minimum requirements.

The student needs to satisfy 42 credits for the award of the Degree which includes a project of 9 credits.

4. Programme Duration

This programme is offered online on a part-time basis

	Normal	Maximum
Degree	2 years (4 semesters)	4 years (8 semesters)

5. Credits per year

Credits per Year: Maximum 24 credits, Minimum 12 credits, subject to regulation 5. Semester modules to be registered for on a semester basis. Yearly modules to be registered for only once at the start of the module, normally at the beginning of academic year.

6. Assessment

The programme will be assessed fully by coursework. Assessment will include individual and group work and will cover a wide range of assessment techniques (presentation, journals and portfolios, reports and online participation). Assessment will be module specific as specified in the module specification sheet. The pass mark for a module in the programme will be 50% given the nature of assessment, which is entirely through coursework.
