

## Bachelor of Laws-LLB (Hons) (P/T) – LM310E

### 1. Objectives

The undergraduate LLB programme offers an excellent opportunity to gain a legal education with courses taught in both English and French. It intends to give a thorough grounding in the principles of law viewed with an emphasis on legal techniques and reasoning. It leads to a bilingual law degree designed to provide excellent foundational legal knowledge to students. Most undergraduates read law with the intention of practising but the programme also provides an excellent education to those who wish to join other professions where an extensive legal background is necessary.

### 7. Assessment

**Each module will carry 100 marks and will be assessed as follows (unless otherwise specified):**

Assessment will be based on a written examination of 2-hour (for a semester module) or 3-hour (for a yearly module) duration as specified and continuous assessment carrying a range of 20% to 30% of total marks. Continuous assessment will be based on two (2) assignments and should include at least one class test per module per year.

For a student to pass a module, an overall total of 40% for combined continuous assessment and written examination components would be required without minimum thresholds within the individual continuous assessment and written examination.

Most modules in the structure are **yearly modules** which are taught over a period of two semesters and examined at the end of the second semester only. There are continuous assessments over the period of two semesters and the written examination will be of a duration of 3 hours for a yearly module of 6 credits.

Some modules in the structure are run over 15 weeks and carry 3 credits. The assessment of such modules will consist of continuous assessment and an examination of a duration of 2 hrs at the end of the semester in which the module is run.

#### **DISSERTATION**

At the end of the third year of the programme, the students will be required to submit a dissertation. The title of the dissertation has to be approved by the Department of Law and a project supervisor identified. The final copy should be submitted by end of March and the dissertation length should be in the range of 8,000-12,000 words. Refer to General Rules & Regulations for further details.

#### **PRACTICAL TRAINING (LAW CLINIC)**

The Law clinic module (LAWS 3009Y) is a partnership between students and practitioners. Law students develop their critical thinking, decision making and analytical skills by interacting and working with practitioners who share various aspects of their legal practice. Practical insights from the three branches of the legal profession need to be provided to the students who will be called upon to participate in problem-solving exercises. Students have to complete 15 hours of practical training and submit a report on same. Attendance to the 15 hours of interactive sessions is compulsory. Upon successful completion they will be awarded the grade S.
