# Master of Business Administration (Specialisation: Hospitality and Tourism) – LM509 (Subject to Approval)

This programme addresses the design and implementation of sustainable strategies for the survival of tourism sector in this highly competitive global industry. Specifically, this programme seeks to develop the student's (1) understanding of key forces and actors within the tourism arena, and (2) ability in creating, developing and sustaining a differentiated service quality culture in the tourism industry in order to gain sustainable tourism centricity.

#### 1. Objectives

The objectives of the MBA Hospitality and Tourism Program are:

- (i) to provide advanced educational opportunities for improving the practice of management in the private and the public tourism and hospitality sectors of the economy;
- (ii) to prepare managers to assume key positions of responsibility and perform in a wide variety of specific assignments within tourism and hospitality organisation;
- (iii) to enhance the capacity for decision making and problem-solving, innovation and creativity; and
- (iv) to enhance professionalism in *Managerial* practice through:
  - understanding the implications of an increasingly global economy and the changing legal, ethical, cultural and political environments of business;
  - acquiring knowledge of management techniques and applying them to practical situations;
  - developing the ability to identify problems and foster the skills to find solutions;
  - developing the ability to integrate knowledge acquired across functional areas and disciplines;
  - managing human and material resources in a culturally diverse and rapidly changing technological world; and
  - fostering the spirit of creativity and entrepreneurship required to cope with complex situations in a rapidly changing environment.

## 2. General Entry Requirements

Successful completion of an undergraduate degree with

- at least a Second Class or 50%, whichever is applicable or
- a GPA not less than 2.5 out of 4 or equivalent, from a recognised higher education institution.

**OR** alternative qualifications acceptable to the University of Mauritius.

#### 3. Programme Requirements

- A Bachelor's Degree with at least Second Class
- Preference will be given to candidates with two years' relevant professional work experience

## 4. General and Programme Requirements – Special Cases

The following may be deemed to have satisfied the General and Programme requirements for admission:

- (i) Applicants who do not satisfy any of the requirements as per Regulations 2 and 3 above but who submit satisfactory evidence of having passed examinations which are deemed by the Senate to be equivalent to any of those listed.
- (ii) Applicants who do not satisfy any of the requirements as per Regulations 2 and 3 above but who in the opinion of Senate submit satisfactory evidence of the capacity and attainments requisite to enable them to pursue the programme proposed.
- (iii) Applicants who hold a full practising professional qualification obtained by examination.

## 5. Programme Duration

	Normal (Years)	Maximum (Years)
Master's Degree:	2	4
Postgraduate Diploma:	2	4

**6. Credits Per Year**: Minimum 6 credits, Maximum 36 credits subject to regulation 5.

### 7. Minimum Credits Required for the Awards

Master's Degree: 42 credits

Postgraduate Diploma: 36 credits (without dissertation)

#### 8. Assessment

Each module will carry 100 marks and will be assessed as follows (unless otherwise specified):

Assessment will be based on a written examination of 3-hour duration and continuous assessment carrying a range of 30 - 40% of total marks. Continuous assessment will be based on at least 2 assignment(s), and/or seminar presentations per module per year.

For a student to pass a module an overall total of 40% for combined continuous assessment and written examination components would be required without minimum threshold within the individual continuous assessment and written examination.

Each module of 45 hours carries 3 credits and each module of 90 hours carries 6 credits.

#### (1) Business Research Methods Module

The module MGT 6001 Business Research Methods will be assessed as follows:

(i) Continuous assessment is 50% broken down as follows:

Literature review: 10% Statistical Analysis: 15% Research proposal: 25%

(ii) Final written examination: 50%

#### (2) Practitioners Workshops

Practitioners Workshops shall be <u>compulsory</u> and will be conducted seminar style. These workshops will be non-examinable 1 credit 15 hrs modules. As part of the assessment students will be required to submit a report of 2000 - 2500 words. **Students will be assigned Grade "S" upon satisfactory attendance and performance in these workshops in order to be eligible for the award of the degree.** 

#### (3) Residential Seminar

During year 2, a Residential Seminar **will be** organised by the Faculty. Students should <u>compulsorily</u> attend and actively participate in the Residential Seminar whenever organised and:

- (i) Students will be required to submit a report of not less than 1200 words to their Programme Coordinator after attendance and participation;
- (ii) Seminar attendance and the report shall be assessed by the Programme Coordinator
- (iii) Attendance at **all sessions of the Seminar is compulsory** and failure to do so would entail non-award of the MBA degree and
- (iv) Grade 'S' assigned upon satisfactory performance as well as attendance at all sessions of the Seminar, in order to be eligible for award of the degree.

## 9. Dissertation

Dissertation will carry 6 credits and it is crucial that students attend all lectures on Business Research Methods Module to be properly equipped to produce good dissertations. Assessment will also include performance at *viva-voce*.

#### **Submission Deadlines for Dissertation**

First Draft: End of July in the Final Year.

Final Copy: Last working day of August in the Final Year.

#### 10 Specific Regulations

If CPA < 40, at the end of 2 consecutive semesters, the registration of the student will be terminated.

## 11. Important Note

The rules as stipulated in this Programme Structure and Outline Syllabus will replace all other rules and regulations.
