

BSc (Hons) Accounting (Minor: Finance) P/T – LM300E (Under Review)

1. Objectives

The Programme of Studies aims at imparting students with the knowledge and understanding of accounting practices and its related fields. In light of developments in the body of knowledge expected of professional accountants and the increasing predominance of international accounting standards, this Programme of Studies is particularly geared for candidates who aspire to a professional accountancy qualification and/or a career in business and advisory services. The structure also provides for a minor in finance to broaden the student's knowledge & understanding in the area of corporate & international finance.

2. General Entry Requirements

In accordance with General Entry Requirements for admission to the University for Undergraduate Degrees.

3. Programme Requirement

Same as above

4. Minimum Requirements for Awards

(i) Degree Award

Core & Elective Structure	Credits
CORE MODULES	
Finance & Accounting	72
Economics & Statistics	3
Computer Science & Engineering	9
Law	12
Management	6
ELECTIVES	3
TOTAL	105

For the degree award all core modules prescribed by the department must be completed.

(ii) Diploma Award

A student may opt for a Diploma in Accounting provided s/he satisfies the following minimum requirements:

Structure	Credits
Finance & Accounting	42
Computer Science & Engineering	6
Law	6
Management	6
TOTAL	60

5. Programme Duration

	Normal	Maximum
Diploma:	3 years	5 years
Degree:	4 years	7 years

6. Credits per Year: Maximum 42 credits, Minimum 6 credits subject to Regulation 5.

7. Minimum Credits Required for Degree Award: 105

For the award of the **BSc (Hons) Degree in Accounting with Finance**, the student must obtain at least 105 credits.

8. Assessment

Each module will be assessed over 100 marks (i.e. expressed as %) with details as follows (unless otherwise specified):

Each module will carry 100 marks and will be assessed as follows (unless otherwise specified): Assessment will be based on a written examination of 2-hour (for a semester module) or 3-hour (for a yearly module) duration and continuous assessment carrying a range of 20% to 30% of total marks except for the following module:

Module	Continuous Assessment	Written Examination
DFA 2202(3) - Research Methods for Finance and Accounting	50 % (15% for class/lab test and 35% for individual assignment).	50%

Continuous assessment will be based on two (2) assignments/tests per module per year.

For a student to pass a module, an overall total of 40% for combined continuous assessment and written examination components would be required without minimum thresholds within the individual continuous assessment and written examination.

Most modules in the structure are **yearly modules** which are taught over a period of two semesters and examined at the end of the second semester only. There are continuous assessments over the period of two semesters and the written examination will be of a duration of 3 hours for a yearly module of 6 credits.

Some modules in the structure are run over 15 weeks and carry 3 credits. The assessment of such modules will consist of continuous assessment and an examination of a duration of 2 hrs at the end of the semester in which the module is run.

Practical Training (ACF 3000) of at least 4 months' duration must be satisfactorily completed for the award of the degree. Such requirement may be waived for part-time students currently in employment.

Submission Deadline for dissertation:

Final copy: *End of March* in the final year of the programme.

9. Termination of Registration

If the CPA of a student is < 40 at the end of an academic year, s/he will have to repeat the entire academic year, and retake modules as and when offered. However, s/he will not be required, if s/he wishes, to retake module(s) for which Grade C or above has been obtained.

Students will be allowed to repeat only once over the entire duration of the Programme of Studies.

Registration of a student will be terminated if

- (i) the CPA < 40 at the end of an academic year and the student has already repeated one year of study; or

- (ii) the maximum duration allowed for completion of the Programme of Studies has been exceeded.
