

## **BSc (Hons) Banking and Financial Services - LCLM 407**

### **1. Objectives**

This Programme is designed for those students seeking to work in the banking & financial services. In particular, this programme provides sound theoretical knowledge and practical skills needed to face up to the challenges of a rapidly evolving banking and other financial sectors. In addition, it will provide a stepping stone to students who are interested in enrolling on professionally recognised qualifications such as the Chartered Financial Analyst (CFA) programme.

### **2. General Entry Requirements**

In accordance with General Entry Requirements for admission to the University for Undergraduate Degrees.

### **3. Programme Requirement**

Pass in Mathematics at 'O' Level

### **4. Programme Duration**

	<b>Normal</b>	<b>Maximum</b>
Diploma:	2 years	5 years
Degree:	4 years	7 years

### **5. Credits per Year: Maximum 24 credits, Minimum 9 credits subject to Regulation 4.**

### **6. Minimum Credits Required for Degree Award: 115**

Diploma:	63
Degree:	115

Note: Diploma/Degree will be delivered on EXIT of Programme, after having completed the above number of credits.

Breakdown as follows:

	<b>Minimum Credits for Taught core modules</b>	<b>Mini Project</b>	<b>Total</b>
Degree	112	3	115

## 7. Assessment

Each module will be assessed over 100 marks (i.e. expressed as %) with details as follows (unless otherwise specified):

Assessment will be based on written examination (of 2 to 3-hour duration, as specified) and continuous assessment carrying a range of 20% to 30% of total marks, except for the following modules:

Module	Continuous Assessment	Written Examination
LLC 3249(5) -Research Methodology and Tools for Finance	50% (15% for class or lab-based test and 35% for individual assignment)	50%
LLC 2240(3)- Quantitative Finance 2	50% (15% for class or lab-based test and 35% for individual or group assignment)	50%

Continuous assessment may be based on laboratory work and/or assignments and should include **at least one class test**.

For a student to pass a module, an overall total of 40% for combined continuous assessment and written examination components would be required without minimum thresholds within the individual continuous assessment and written examination.

Most modules in the structure are run over 15 weeks and carry 3 or 4 credits. The assessment of such modules will consist of continuous assessment and an examination of duration of 2 hrs at the end of the semester in which the module is run.

**Submission Deadline** for mini project:

Final copy: Last working day of Semester 2 in the final year of the programme.

**8. List of Modules - BSc (Hons) Banking and Financial Services****CORE MODULES**

<b>Code</b>	<b>Module Name</b>	<b>Hrs/Wk L+P</b>	<b>Credits</b>
LLC 1130(1)	Principles of Accounting Analysis 1	D.E.O.L.	3
