

BSc (Hons) Management - LM320

1. Objectives

The programme is intended for persons interested in pursuing a managerial career. The main objective is to equip participants with the necessary concepts, tools and techniques of management. Students will acquire the necessary knowledge and skills pertaining to the management of a business organisation. This programme will also enable the graduates to apply the principles covered in a practical context.

2. General Entry Requirements

In accordance with General Entry Requirements for admission to the University for Undergraduate Degrees.

3. Programme Requirements

Credit in 'O' Level Mathematics.

4. Programme Duration

	Normal (Years)	Maximum (Years)
Degree:	3	5

5. Credits per Year

Minimum 18 credits, Maximum 48 credits subject to Section 4.

6. Minimum Credits Required for Award of Degree: 101

Degree	Minimum Credits for Core Modules	Minimum Credits for Electives	Dissertation	Total
3-5 Years	77	18	6	101

7. Assessment

Each module will carry 100 marks and will be assessed as follows:

Assessment will be based on a written examination of 2-hour (for a semester module) or 3-hour (for a yearly module) duration as specified and continuous assessment carrying a range of 20% to 30% of total marks except for Module Research Methodology in Management. Continuous assessment will be based on two (2) assignments and should include at least one class test per module per year.

For a student to pass a module, an overall total of 40% for combined continuous assessment and written examination components would be required without minimum thresholds within the individual continuous assessment and written examination.

Most modules in the structure are **yearly modules** which are taught over a period of two semesters and examined at the end of the second semester only. There are continuous assessments over the period of two semesters and the written examination will be of a duration of 3 hours for a yearly module of 6 credits.

Semester modules are run over 15 weeks and carry 3 credits. The assessment of such modules will consist of continuous assessment and an examination of a duration of 2 hrs at the end of the semester in which the module is run.

Written Examination and Continuous Assessment would each carry a weight of 50% each for the **Module Research Methodology in Management (MGT 2117)**.
