The formula to be used is as follows:

Pro-rated fees per hour = Tuition fees (Total fees for the Programmes –General Fees*)

Total number of hours for the whole Programme

*for programmes which are not credit-based but where General fees are applicable

For example, for the LPVC, the pro-rated fees per hour would read as:

$$[120,000/435] = \text{Rs } 275$$
