

Short Course: AutoCAD 2D & 3D Essentials

Duration: 30 hours [In-person]
10 Saturdays – From 20 Jan to 30 Mar 2024
Rs 22,000 per participant

***Employers entitled to HRDC refund up to 75%**

The AutoCAD 2D & 3D Essentials training course offers a structured learning path for participants to gain proficiency in 2D drafting and 3D Modelling using this powerful computer-aided design (CAD) software. AutoCAD skills are the foundation of rewarding careers in large, growing industries such as architecture, construction, engineering, and interior design. This training also supports entry-level roles in these sectors.

OBJECTIVES

- ◆ Understand the fundamental concepts and features of AutoCAD
- ◆ Acquire the essential knowledge and core skills in the area of 2D Computer Aided Drafting
- ◆ Learn 3D modeling and visualization

WHO SHOULD ATTEND?

Drafters (To create technical drawings and plans); Interior designers for accurate creation and manipulation of spaces; Architects needing proficiency in digital design tools; Engineers involved in disciplines such as civil, mechanical and electrical engineering; Professionals in the construction industry for planning and designing; Any individual interested in learning AutoCAD.

HOW WILL YOU LEARN?

Hands-on and Practical: You will be taught the necessary theory and step-by-step techniques, which you will then practice on a computer running AutoCAD. Quizzes and Mini-project.

PREREQUISITES

Good working knowledge of Windows. No prior CAD knowledge is necessary.

CERTIFICATE

Upon successful completion of the AutoCAD 2D & 3D Essentials training course, each participant will receive a Certificate of Attendance.

**Registration
Deadline:
8 December 2023**

LIMITED SEATS
