UNIVERSITY OF MAURITIUS

VACANCY

Applications are invited from suitably qualified candidates for the post of **Graduate Teaching Assistant** (GTA) for teaching the module **MA 2205(3) Numerical Linear Algebra** for the contractual period January to April 2025 (Semester Two of Academic Year 2024/2025).

Qualifications Required:

- A degree in Mathematics/Mathematics with Statistics /Mathematics with Computer Science and/or full-time MPhil/PhD students registered at the University of Mauritius.
- Successfully completed the module LLC0050 Short Courses on Teaching Strategies and Administrative Responsibilities of Part-Time Lecturers.

Profile

Candidates must have:

- At least a second-class Bachelor's degree with Honours
- Excellent knowledge of Numerical Linear Algebra Topics (Matrix Algorithms and their Computational Costs, Symmetric Positive Definite Matrices, Orthogonal Matrices, QR Decomposition, Givens and Householder Algorithms)
- Excellent abilities in problem solving related to the above topics
- Good communication skills
- Good analytical skills

Responsibilities & Duties

Under the direct supervision of the Module Lecturer/ Coordinator, the GTA will be responsible for:

- Running of tutorials
- Invigilation of class tests
- Organisational and other cognate duties that may be assigned by the Dean of Faculty

Remuneration

Rs 400/- per contact hour (GTA)

For a total of 10 contact hours for the purpose of payment (One batch of *face to face tutorial* of 1 contact hour/week each, over a total of 10 weeks)

Duration of Contract

Appointment will be offered for a contractual period from January 2025 to April 2025 (Semester Two of Academic Year 2024/2025). The proposed starting date will be communicated.

Mode of Application

The envelope and email subject should be clearly marked "GTA- Module MA 2205(3) Numerical Linear Algebra" on the top right hand corner.

Applications received after the closing date will not be considered. The University reserves the right:

- To call for interview only the most appropriately and best qualified applicants.
- Not to make any appointment as a result of this advertisement.

17 December 2024

Dean, Faculty of Science
