

Centre d'Études Cliniques Ltée (CEC) is hiring A **Clinical Trial Technician!**

CEC is a Clinical Research Organisation (CRO) specialised in the assessment of safety, efficacy and acceptability of food supplements, cosmetic and dermatological products.

Sector of Activity: Clinical Trials

Situated at [6, Lancaster Court, Lavoquer Street, Port Louis](#)

Duties are as follows:

- Preparation of sample cosmetic products
- Preparation and update of study documents (example: CRF, ICF, ...)
- Use of apparatus for cutaneous measurements on volunteers
- Data entry of results of clinical trials
- Collaboration with the team of investigating physicians to carry out clinical tests of tolerance and efficacy
- Writing of protocols
- Pre-screening and recruitment of volunteers

Due to the nature of the work, we are looking preferably for a **female** candidate.

We are currently looking for degree holders in science related fields: [Bsc \(Hons\) Biological Sciences/Chemistry/Medical Science/Applied Biochemistry/Biotechnology/Environmental Science/Cosmetic Science](#)

Duration: [Full time](#)

Experience: (Optional) [No prior experience needed but it would be an advantage. Also open to young and dynamic fresh graduates who are fast learners and willing to evolve in clinical trials](#)

Remuneration: [Competitive salary](#)

Deadline to apply: [11th August 2023](#)

Working Days/ Time: [From Monday to Friday- 8:30 to 5pm](#)
