

KICK OFF YOUR CAREER

eclosia
TECHNOLOGY SERVICES

AT ECLOSIA TECHNOLOGY SERVICES

**Are you pursuing your studies in the field of IT?
Are you looking for Traineeships & Enterprise Experience?**

Get the opportunity to:

- Integrate dynamic teams
- Get familiar to a real work setting within the IT Industry
- Gain hands-on experience & be better prepared for the job market
- Benefit from training materials both on-the-job and off-the-job
- Get tailored support through mentorship
- Develop your soft skills

The Traineeship Programme is open to students pursuing an undergraduate course in the following IT Fields:

- Software & Information System
- Digital Technologies
- IT Infrastructure

The Traineeship Programme is a one-year programme held on a part-time basis along with your studies.

The selected candidates will be offered a stipend and refund for travelling expenses.

How to apply?

Interested Candidates should address their application to
