

About Hertshten Group

Since its inception, the Hertshten Group (website: www.hertshtengroup.com) has constantly been seeking new opportunities for growth and expansion. With our global presence and unwavering commitment, we navigate the finance industry to unlock extraordinary value for our subsidiaries and stakeholders in different countries namely Mauritius, India, Canada, Dubai, the UK, Israel, and Singapore.

Headquartered in Mauritius, the parent company, Hertshten Group Limited, is a proprietary trading firm and acts as a holding company for a series of businesses involved in trading financial instruments and commodities products (Mercury Derivatives Trading), research of financial instruments and commodities products (Futures First entities), property investments (Hertshten Properties Ltd) and general insurance (Quantum Insurance Ltd). The group has over 700 employees, including over 40 employees based in Mauritius.

As leaders in exchange-listed derivatives, we maintain professionalism and drive innovative opportunities. While maintaining our role as a leader in derivative trading, we aim to continue growing into geographical regions, as well as expanding into new related ventures.

The Group is looking for fresh university graduate to its Head office based in Ebène as **Junior Accountant**.

The Role and Responsibilities include but are not limited to:

- Preparation of monthly management accounts and forecasts
- Compiling, analysing, and reporting of financial data on a daily and periodic basis
- Manage Accounts Payables
- Carry out reconciliation and verification of transactions fees
- Assist Senior Accountants/Head of Finance in the day-to-day operations of the Accounting function
- Deal with queries from Senior Management

Qualification, Experience and Skills:

- University degree in Accounting/Finance
- Strong mathematical and analytical skills
- Good communication and interpersonal skills
- Detail-oriented

On-the-job training will be provided to the candidate.

Compensation: An attractive salary package will be offered
