

Mauritius Research and Innovation Council is hiring a Trainee!

The Mauritius Research and Innovation Council (MRIC) is a corporate body set up on the 1st of September 2019 through the proclamation of the Mauritius Research and Innovation Council Act 2019. The Council acts as the apex body advising the Government on matters concerning applied research, innovation, and research and development issues.

The Technology Transfer Office (TTO) currently functions as an operating unit of the MRIC to encourage commercial utilisation of the results of Research and Innovation. The aim of the TTO is to provide technical and legal support to local inventors and innovators, as well as help identify, manage, and make commercial use of their Intellectual Property (IP) assets.

The functions of the TTO complement Government's plan to boost innovation, which sees as one of its aims the importance of increasing innovation capacity in the Mauritian economy. Through help given to address the IP needs of Mauritius and provide support for innovation, the TTO also enhances the flow of knowledge between research institutions and the private sector.

The MRIC is seeking to hire a Trainee to support projects being undertaken by the Council's TTO in relation to IPR.

Situated at Level 6, Ebène Heights, 34 Cybercity, Ebène 72201.

Duties are as follows:

- Conduct literature search and monitor key IP sources in order to keep the TTO updated on current trends and practice;
- Assist in coordinating all processes involved in receipt, analysis and the management of documents submitted as invention disclosures made to the Council's TTO;
- Assist in the processing of requests for technical evaluation and assistance for IP support;
- Assist in the organization of IP-related activities (webinars/meetings/workshops)

- Assist in the implementation of IP collaboration activities with partnering organizations;
- Help in promoting the use of IP with organizations, entrepreneurs, enterprises, universities and research institutions.
