

Logidis Limited is hiring a *Trainee Industrial Engineer*

Logidis Limited is a leading provider of warehousing, distribution, and people mobility services. With a focus on reliability and efficiency, we specialise in storing, handling, and transporting goods with precision and care. Our expertise in people mobility services ensure a seamless transportation solution for individuals and businesses. With more than 20 years of experience in the Goods and People Mobility fields, Logidis Limited provides innovative solutions to effectively answer to all our customers logistical demands in a sustainable way.

Situated at IBL Complex No 1, Industrial Zone, Riche Terre.

We are seeking a newly graduate, to join us as Trainee Industrial Engineer. The ideal candidate will assist in optimizing our industrial processes, identifying opportunities for cost reduction and efficiency improvement, and implementing solutions to enhance productivity.

Duties are as follows:

- Analyze existing processes and systems to identify areas for improvement.
- Propose strategies to increase efficiency, reduce waste, and improve quality.
- Perform tasks such as design and optimize workflows, layouts, and production lines. on the computer using specialized design software.
- Conduct time studies, capacity planning, and resource allocation to optimize production schedules.
- Collaborate with warehouse managers and team to implement new processes and technologies.
- Monitor metrics and KPIs to track progress and identify areas for further improvement.

Requirements:

- Bachelor's degree in industrial engineering or related field.
- Practical knowledge in industrial engineering or related roles
- Highly analytical mind, with exceptional problem-solving skills and attention to detail.
- Knowledge of lean manufacturing principles and continuous improvement methodologies
- Excellent communication and interpersonal skills
- Ability to work effectively in a team environment and collaborate with cross-functional teams.

Duration: Full time

Experience: (Optional)

Remuneration: Under YEP Programme (Details will be provided during the interview)

Working Days/ Time: From Monday to Friday- 08:30 to 17.00, Saturday- 08.00-12.00
