

Princes Tuna (Mauritius) Limited is hiring!

Princes Tuna (Mauritius) Limited Company is involved in the production of canned tuna mainly for the export market. Princes Tuna (Mauritius) (PTM) was established in 1999 when Princes acquired MTFCE. A new factory was constructed creating one of the most technologically advanced tuna processing facilities in the world.

PTM was established as a joint venture with long-term partners Ireland Blyth Limited (IBL) and the Mauritian State Investment Corporation (SIC). IBL is one of the largest private company in Mauritius and SIC is the investment arm of the Government of Mauritius.

In 2015, PTM merged with Thon des Mascareignes to create the enlarged PTM with two production sites: Marine Road and Riche Terre. Its shareholding now includes Seafood Hub Ltd, which is a subsidiary of IBL.

Situated at [New Trunk Road Riche Terre Mauritius](#)

Duties are as follows:

Liaise with Product Configuration Manager to set internal specifications to be communicated to various internal departments.

Compile data from multiple departments (e.g., Quality Assurance, Production, and Laboratory) to respond to queries and requirements.
