# Dedicated Team

Tripro employs some 50 people in the corporate secretarial, fund administration and accounting departments. Most of our staff members are either university graduates or hold qualifications from professional bodies such as Institute of Chartered Secretaries and Administrators (ICSA), Society for Trust and Estate Practitioners (STEP), Institute of Chartered Accountants of England and Wales (ICAEW) and Association of Chartered Certified Accountants (ACCA).

Our team's three decades of experience cemented our relationship with key persons at the Financial Services Commission, Registrar of Companies, and Mauritius Revenue Authority, amongst others, with a view to streamline and facilitate the entire setting up and administration process.

We work with audit firms, accounting firms and other professionals including lawyers both from different jurisdictions and locally to best cater for our international clients.

The firm is manned by a team of high calibre and experienced professionals who have been in the global business sector for three decades.

# Our Clients

Our portfolio of clients is well diversified ranging from Indian, U.S., European, Asian and African clients, servicing their needs for asset protection and succession planning, providing full support in trading activities, investments in real estate market and stock market.
