About IOML

IndianOil (Mauritius) Ltd (IOML) is a fully owned subsidiary of Indian Oil Corporation Ltd (IOCL), a global Oil and Gas company with a turnover of USD 105 Billion and a global ranking of 94th among Fortune 500 companies.

IOML ranked 10th in the listing of top 100 companies of Mauritius in large business category, as per business magazine of La Sentinelle Magazine in year 2023. IOML was conferred with "**Best Large Business Award 2022**" of Mauritius, by Mauritius Business organised by IEG Global & World Banking Awards Group.

IOML was incorporated in Mauritius in 2001. Its business activities range within the sectors of aviation, bunkering, retail, lubricants and consumer.

IOML has, over the years, positioned itself as the leading Oil Company in Mauritius. Presently it is the market leader in Aviation Fuel industry and rapidly expanding the retail, consumer, bunkering, lubricant & petrochemical business.

IOML has been maintaining a history of innovation and state of the art developments in all its activities over the years and has also been ahead in CSR initiatives as a responsible corporate citizen of the country. The company operates a state of art Petroleum Storage Terminal at Mer Rouge, Port Louis, also having the administrative office.

To support the rapid growth strategy of the company, IOML is looking forward to recruit highly talented and motivated professionals with engineering degree.
