

WE ARE HIRING!

PROCUREMENT OFFICER

Join our dynamic team and play a key role in ensuring smooth, efficient, and compliant procurement operations across the business! We're looking for a proactive, detail-oriented professional to manage purchasing activities, support internal stakeholders, and maintain strong supplier relationships.

Key Responsibilities

- Create, process and track POs
- Ensure accurate pricing, quantities, and supplier details
- Follow up on deliveries
- Resolve discrepancies
- Maintain solid working relationships
- Update procurement records
- Manage approvals and documentation

Qualifications

- Diploma or Degree in Supply Chain, Management or Business Administration
- Certification in Supply Chain would be advantageous.

Why You'll Love Working With Us

- Supportive team environment
- Exposure to full procurement cycle
- Opportunities to grow within Supply Chain
- Real responsibilities from day one
