

LAXMANBHAI & CO. (MAURITIUS) LTD is hiring a Site Technician.

LAXMANBHAI & CO. (MAURITIUS) LIMITED is a premier construction and civil engineering company in Mauritius, with over 50 years of trusted industry expertise. Ranked among the country's top contractors, we deliver iconic infrastructure and building projects that shape national development. Our success is driven by innovation, precision, safety, and uncompromising quality standards.

Situated at Le Hochet, Terre Rouge, Port Louis.

Duties are as follows:

- Planning, organizing, coordinating, and monitoring activities of workers for the project.
- Studying plans and drawings to check accuracy in specifications and reporting discrepancies for necessary corrections.
- Monitoring the supply of materials, tools, and equipment used on site.
- Preparing work programmes, lists of tradesmen, and time schedules for Supervisors/Foremen, and distributing them to the Chief Supervisor for onward transmission.
- Attending setting out of buildings with the Land Surveyor and providing input where necessary to facilitate surveying work.
- Supervising laying and concreting of reinforcement structures, walls, beams, and slab roofing to ensure compliance with specifications, and coordinating remedial actions with Supervisors/Foremen if required.
- Keeping records of work progress, including concrete test results provided by the Production Technician.
- Certifying payments of all subcontractors.
- Maintaining proper records of variations and additional works, and liaising with the Quantity Surveyor Department.
- Exercising strict control over the use of materials to prevent wastage.
- Controlling labour output and ensuring proper daily productivity to meet project timelines.
- Ensuring that no abortive work is carried out.
- Ensuring compliance with Occupational Health and Safety Regulations applicable to the construction industry.
- Performing any ancillary duties as directed by the Project Manager.

We are currently looking for a degree holder in Civil Engineering, Construction, or related field
