

# ServiceNow Consultant

*Magellan Partners – Yunit Mauritius*

The Dot, Telfair, Moka, Mauritius

## Company Overview

Magellan Partners is a technology and data consulting group with more than 2700 employees worldwide. Through its entity Yunit Mauritius, the company delivers high-value digital transformation services with a strong focus on ServiceNow solutions.

Joining Yunit means becoming part of a stimulating and human-centered adventure: enriching missions, a supportive culture, rapid career development opportunities, certifications, and the freedom to take initiative while being fully recognized and valued.

## Key Responsibilities

- Contribute to the development and configuration of the ServiceNow platform
- Configure forms, workflows, automations, and user portals
- Implement business rules and application logic (client-side and server-side scripting)
- Participate in integrations between ServiceNow and third-party systems via REST/SOAP APIs
- Apply ServiceNow best practices in development, governance, and security
- Support testing phases, deployment activities, and post-production support
- Contribute to continuous improvement initiatives
- Prepare and maintain technical documentation related to developments

## Required Qualifications

We are currently looking for degree holders in:

- Computer Science
- Software Engineering
- Applied Computing

## Position Details

**Duration:** Full Time – Permanent Position

**Experience:** Fresh graduates or candidates with 0–2 years of experience (ServiceNow exposure or ITIL knowledge is an advantage but not mandatory)

**Remuneration:** Competitive salary

**Working Days / Time:** Monday to Friday – 9:00 AM to 6:00 PM

## Employee Benefits

- Medical Insurance

- Flexible working hours
- Work from home facilities
- Performance-based incentives
- Structured training and certification path

### **Application Process**
