6. Credits per Year

Minimum 18 credits, Maximum 48 credits, subject to regulation 4.

Students should register for Yearly modules and Semester modules at the beginning of the academic year or at the start of the semester as the case may arise.

7. Assessment

Each module can be taught in one semester only or throughout the two semesters (yearly modules).

Each module will be assessed over 100 marks and will be as follows (unless otherwise specified):

Written examinations for all modules will be carried out at the end of the academic year except for semester modules (unless otherwise stated).

Assessment will be based on a written examination of 2 to 3-hour duration (normally a paper of 2-hour duration of modules carrying less or equal to three credits and 3-hour paper for modules carrying six credits) and on continuous assessment done during the semester or year.

The continuous assessment will count for 30% marks of the modules. It may be based on seminars, practical work and / or assignments and should include at least one class test.

An overall total of 40% for combined continuous assessment and written examination components would be required to pass the module, without minimum thresholds within the individual continuous assessment and written examination.
